About Us

Who We Are. The Arizona Council of Chapters (AZCOC), an affiliate of the Military Officers Association of America (MOAA), is a dynamic organization of over 1,000 active, retired, and former officers of the United States uniformed services, and surviving spouses thereof. The AZCOC—now comprised of [ten chapters](#)—was chartered on 6 Jun 1975 and incorporated in the state of Arizona on 30 Sep 1992.

Vision. MOAA is recognized as Arizona's most committed and effective advocate for the rights and benefits of—and service to—active duty, retired, former, and reserve component personnel of the uniformed services of the United States and their families and survivors.

Mission. To provide a unified voice and support for all MOAA members and chapters in Arizona in promoting and supporting National MOAA's goals, objectives, and advocacy for the rights and benefits of—and service to—active duty, retired, former, and reserve component personnel of the uniformed services of the United States and their families and survivors.

MOAA National, State Councils, and Chapters are independent, nonprofit, politically nonpartisan organizations.

President's Message Page 1 of 7

Season's Greetings to all MOAA members – and all others who may be reading this Arizona State Council newsletter. It is again worth noting that our semiannual newsletters nicely coincide with Memorial Day and Veterans Day. I want to start this one by reflecting on Veterans Day – a day for us and our entire nation to think of and thank our past and current veterans (all of us) for their unselfish and service and sacrifice. This is also an appropriate time for me to once again say thank you to all of you and your families for what you do to support our veterans in Arizona. Here is an amazing example of your service to others that I covered at our recent Council meeting – it is worth repeating and may surprise you: Our chapters in the last 12 months contributed \$82,577 to communities/veterans, and \$69,100 in scholarships to deserving ROTC cadets and other students.

In Memory. I would now like to honor a few members/family members we lost in 2022.

- Betty Perkins – wife of Ron Perkins, Col, USAF (Ret),
- Terri Wojciechowski – wife of Bill Wojciechowski, Col, USAF (Ret) – Pres, Tucson Chapter
- Ed Mangan, Capt, USAF (Ret) – Past President, Superstition Mountain Chapter and member of the Arizona – Veterans Hall of Fame
- Bob Strain, Col, USAF (Ret) – Coronado Chapter

President's Message *Page 2 of 7*

- Pat Lynch – wife of Joe Lynch, Maj Gen, USAF (Ret) – MOAA Legal Counsel
- Fred “Mack” Luckie, Col, USMC (Ret) – Yuma Chapter (Former Commanding Officer of MCAS Yuma, Arizona)
- ...and any others not mentioned.

Well-Earned Recognition. Even though we are only a month from the end of 2022, I want to also sincerely thank all of you for your accomplishments during 2021. MOAA releases the results of the Levels of Excellence Awards late in the year and the individual awards even later. As you all know, Arizona really shined (again) and I could not be prouder of you. Here is a recap of Arizona's National MOAA-level awards:

- Colonel Marvin J. Harris Communication Awards
 - Six Websites: 5-Star (AZCOC and Arizona, Coronado, Luke, and Superstition Mountain Chapters) and 4-Star (Green Valley Chapter)
 - Eight Newsletters: 5-Star (Council and Arizona, Coronado, Grand Canyon, Luke, and Superstition Mtn Chapters) and 4-Star (Green Valley and Northern Arizona Chapters)

President's Message Page 3 of 7

- Levels of Excellence Awards. 10 5-Star (AZCOC and all nine chapters: Arizona, Coronado, Grand Canyon, Green Valley, Luke, Northern Arizona, and Superstition Mountain, Tucson, and Yuma).

This was the 11th consecutive year for all Arizona affiliates to earn a 5-Star Award.

Congratulations to all!

2022 Fall AZCOC Meeting

- Prior to the meeting I sent out the Council Bylaws for Council officer and chapter president review. All responded saying no changes were necessary. Pam also sent out the Personal Affairs and Transition presentations.
- Our previous Council meeting in May of this year was our first in-person gathering in some 18 months. I had originally planned for our November meeting to also be in person and hopefully with even more attendees. We were all set for the event thanks to the outstanding planning and coordination by our Council Secretary Pam Wojtas, Vice President Lt Col (R) Nicholas Knights, and Immediate Past President Lt Col (R) Dick Jonas. LTC Steve Jarvis (R), Grand Canyon President then made a very sensible suggestion to consider holding the meeting in conjunction with the MOAA Workshop scheduled just two weeks later. MOAA was very accommodating, but I ultimately ↓

President's Message Page 4 of 7

realized combining the meetings would be challenging both logistically and for our attendees. So, rather than ask you and others to physically attend two separate in-person meetings withing two weeks, I made the decision to conduct our Council meeting virtually.

- After our last Council meeting, I decided to changeup the two semiannual meetings with the intent of varying the agendas, adding some dedicated training time, and reducing chapter level of effort by reducing chapter updates to just once per year. Our recent November meeting was the first such “changed” meeting. It was also our Annual Business Meeting. But with the MOAA Workshop just two weeks away, we did not conduct any focused training. As a result, the meeting was shorter than normal and had 20 attendees. You can learn what the meeting included/covered by reading the very thorough minutes provided by Pam. I will discuss some of the more significant items here.

- The total membership as of 1 Nov 2022 for our nine chapters was 1,015 which is a reduction of 41 members since November 2021. An amazing 99% are members of national MOAA. This total member number represents only some 11% of MOAA members in the state meaning we still have a lot of potential chapter members out there.

President's Message Page 5 of 7

- A few noteworthy items from the meeting:
 - We were honored to have as our guest speaker the MOAA President and CEO, Lt Gen Dana Atkins, USAF (Ret). This was his final visit to a MOAA Council prior to his retirement from MOAA effective 4 Jan 2023.
 - The Council approved the proposed budget for 2023. Member chapters unanimously approved maintaining Council dues.
 - I welcomed the LCDR Chuck Vaughan, USN (Ret) to the meeting. Chuck is president of the Catalina Mountain Chapter (Arizona's - and MOAA's - newest chapter). Gen Atkins presented the Chapter with its Charter the day following our Council meeting.
- Old Business. Action items from the 2022 Spring AZCOC Meeting – all completed
 - ✓ Email copies of all presentations
 - ✓ Have Lt Col Darren Venters, on behalf of the Arizona Council of Chapters, continue the fight for income tax parity for USPHS and NOAA
 - ✓ Email copy of Col Mike Kramer's "Director of Compliance Duties"

President's Message Page 6 of 7

- ✓ LtCol Knight will send out an email asking who would like to receive the Council and the Yuma Chapter newsletter
- ✓ Col Kloeber will request MOAA address former officers and work to find/understand their needs concerning MOAA
- New Business. Action items from the 2022 Fall AZCOC Meeting – all completed
 - ✓ Mrs. Pam Wojtas to email copies of all presentations
 - ✓ Col Pete Kloeber to send chapters information on “Our Community Salutes”
<https://www.ourcommunitysalutes.org>
 - ✓ Col Pete Kloeber to send chapters information on “Veterans Last Patrol”
<https://www.veteranlastpatrol.org>
 - ✓ Col Pete Kloeber to send Col Mike Kramer’s presentation to Lt Gen Dana Atkins
- AZCOC Elections. Councilmembers in attendance approved the following slate of officers for the next two years (1 Jan 2023 – 31 Dec 2024): LtCol Nicholas Knight (President), CAPT Charles Vaughan (Vice President), Pam Wojtas (Secretary), and Col Charlie Bitner (Treasurer)
- Gen Atkins conducted the installation of new officers

President's Message Page 7 of 7

I hope the above information is helpful. In closing, as always, I ask just two things of our chapter presidents:

- **Please share** the information in this newsletter with your other chapter leaders and members. The easiest way is to simply forward the newsletter to all your members and share the link to our Council's website: [AZCOC Website](#)
- Invite me to your chapter meetings so I can meet your members and share All Things MOAA.

AZCOC Legislative Chairman

Treasurer

The Council's finances continue to be healthy. Thanks to two infusions from National MOAA, we have been able to cover not only the semiannual meetings, but our annual ZOOM membership as well as normal travel.

At the Nov meeting, the budget was considered and approved for the 2023 and includes a line-item that accommodates the Council making donations for veteran causes, should it wish to do so.

As always, Council dues notices will be coming in Jan right after the first of the year, and as you might recall those dues are now based on membership numbers as of 1 Jan.

Charlie Bitner

AZCOC Treasurer

Secretary 1 of 2

For planning purposes, mark your calendar with the date for the next AZCOC meeting. For those interested, Luke Chapter will be having their dinner meeting on Thursday, 11 May 2022 and have invited the council officers/staff, and chapter presidents/officers to join them for dinner. The council meeting will be the next day, Friday, 12 May 2023. The location for both the Luke Chapter dinner and the AZCOC meeting will be Grandview Terrace, 14515 W Granite Valley Dr, Sun City West, AZ 85375. More info on the Luke Chapter dinner and AZCOC meeting will be provided after the first of the year.

Council Officers and Staff and Chapter Presidents – Part of my responsibility as council secretary is to maintain a master roster for the council. This roster lists the council officers, staff, past council presidents, chapter presidents and the officers for all the chapters.

I need your help to make sure that the roster always contains the correct updated information. If you have a change of address, phone number or email, please make sure to send me the change. Chapter Presidents, please send me any changes to officer positions, as well as any address, phone number or email changes for any of your officers listed on your roster.

At all council meetings I pass around the master roster and ask for updates or changes. After the council meeting, I update the master roster with the updates and changes I received and then send ↓

Secretary 2 of 2

out the master roster to the Council Officers and Staff and Chapter Presidents.

I appreciate your assistance in keeping the master roster up-to-date. Thank you.

 - The Military Retiree Survivor Act HR 224/S1669 - This bill would allow all survivors to pay back the last retirement check over time rather than all taken back at the time of the veteran's death.
 - The Caring for Survivors Act HR 3402/S976 - This bill would align DIC compensation payments with other federal survivor benefits. Current we sit at approximately 55%.
 - The Love Lives on Act S4841 - This bill would allow surviving spouses who remarry prior to 55 years of age, to retain a number of military benefits.
- Retail Pharmacy Network Reduction. Please urge your lawmakers to reverse the 25% cut to the ↓

Personal Affairs Officer Page 1 of 2

I'm sure that for many—if not most—of us, estate or end-of-life planning isn't something we are eager to dive into. Whether it's the overwhelming complexity of the task, the dark sense of finality that such planning may bring with it, or any one of a hundred other dissuaders, forward planning of this magnitude can easily turn a relentless go-getter into a full-fledged procrastinator. The hard truth of it is though, as difficult as it may be to accomplish for us personally, the act of not planning ahead will only serve to multiply the difficulty that those we leave behind—or those left to care for us—will face in their efforts to properly see to our affairs.

“According to the CDC, around 60 percent of U.S. adults have no plan in place for the end of their lives. Consequently, close friends and family are left to sort through personal belongings, funeral arrangements and asset distribution while they're mourning.” – ConsumerAffairs.com

Fortunately for us, as National MOAA members we have a free tool at our disposal that is designed to both focus and streamline this critical undertaking: the *Personal Affairs Guide, A Personal Inventory for Peace of Mind*. While the *Personal Affairs Guide* won't make the planning process effortless, it will most certainly produce a product that is considerably more >>>

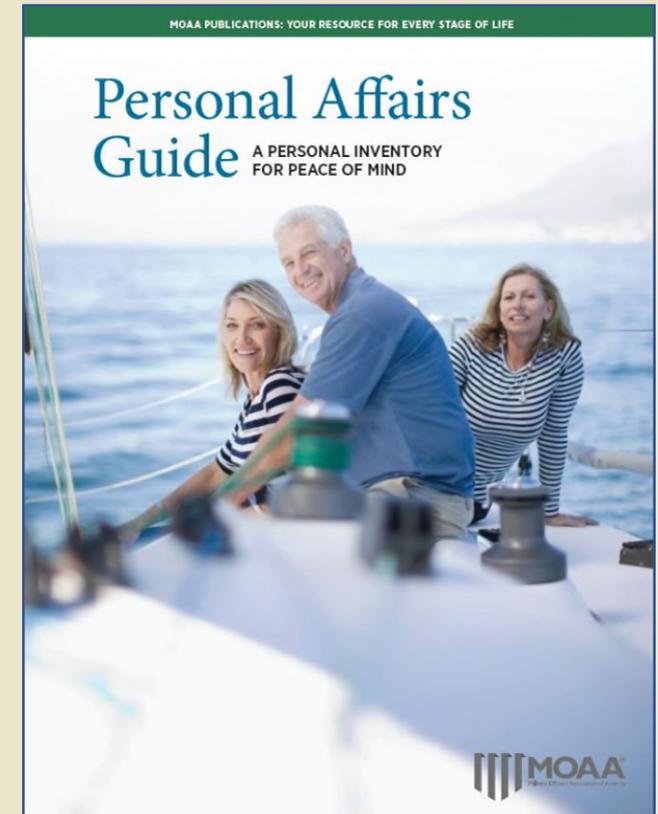

Personal Affairs Officer Page 2 of 2

comprehensive and effective than an eleventh-hour attempt to convey all the critical details on a host of personal matters ranging from Survivor Benefit Plan enrollment to the executor of the will.

The Personal Affairs Guide is broken down into five sections: Personal Data Security, Record-Keeping, Financial Information, Insurance, and Wills and Other Arrangements. In the event you are no longer able to handle your own affairs due to health or advanced years, or more pointedly, you pass unexpectedly, the information you provide across the guide's five sections could greatly simplify the requisite follow-on efforts of those that love and care for you most. To determine if the Personal Affairs Guide is the right tool for you, simply click on the image of its cover to the right to objectively assess the potential of its five sections and their respective data points.

Chapter Development

>>> As of the Catalina Mountains Chapter (AZ12) receiving its charter on 5 Nov 2022, Arizona currently has no MOAA satellite chapters. <<<

- The primary goal is to form new chapters
- New satellite chapters must be initiated by a host chapter in the catchment area
- Prospective satellite chapters need a strong nucleus of energetic and dedicated people - Grand Canyon Chapter is a perfect example of successful Satellite to Chapter transition
- Support and nurturing for new satellite chapters continually important
- Recruiting new members is essential
 - Make effective use of the Near Real Time (NRT) list
 - Encourage word of mouth advertising by members

- New Chapter in Arizona. The MOAA Board of Directors on 14 Jul 2022 approved its newest chapter – our very own Catalina Mountains Chapter. We now have ten chapters in Arizona. Because of this action and the closure of the Mohave Satellite Chapter and Central Arizona Satellite Chapter at the beginning of 2022, Arizona no longer has any satellite chapters.
- Chapter Membership. As of 1 Nov 2022, total membership for our ten chapters was 1,015 which is a reduction of 41 members (4%) since Nov 2021...and a reduction of 130 (11%) since Nov 2017. Our 1,015 members represent only 11% of all MOAA members in Arizona – there is a huge opportunity out there for chapter recruitment!
- MOAA Membership. All ten chapters remain above the 95% threshold for members belonging to national MOAA. The total for all chapters remained at 99%. Especially noteworthy: Three chapters are at 99% and four chapters are at 100%.
- MOAA Grants. Arizona chapters represent only 2.8% of all MOAA chapters but received 9% of MOAA grants—3 of 33 grants totaling \$12,500 (Arizona, Grand Canyon, and Luke Chapters).
- MOAA Advocacy in Action (formerly Storming the Hill). The Advocacy in Action Campaign for 2023 will be April 26th and will once again be in-person ON THE HILL!

- Chapter Governance. Just a reminder that all chapters should have their pertinent documents and know where they are located. Examples: Arizona incorporation documents, IRS tax exempt status, MOAA charter, bylaws, annual tax returns (990s), etc.
- Opted-In for The MOAA Newsletter (TMN). Some 19% of our chapter members are NOT opted into receive TMN. This means only around 80% of our members are remaining current on MOAA news. It is very easy to opt-in for TMN: A member just needs to go to the following link and enter their email: http://moaa.highroadsolution.com/moaa_preference_page/EmailSearch.aspx
